## Ethnic Background

Our ethnic background describes how we think of ourselves. This may be based on many things, including, for example, our skin colour, language, culture, ancestry, or family history. Ethnic background is not the same as nationality or country of birth.

The Information Commissioner (formerly the Data Protection Registrar) recommends that young people aged over 11 years old have the opportunity to decide their own ethnic identity. Parents or those with parental responsibility are asked to support or advise those children aged over 11 in making this decision, wherever necessary. Pupils aged 16 or over can make this decision for themselves.

Please study the list below and tick one box only to indicate the ethnic background of the child named above.

<u>White</u>		<u>Mixed</u>		<u>Black or Black British</u>	
English		White & Black Caribbean		Caribbean	
Scottish		White & Black African		African	
Welsh		White & Asian		Other Black Background	
Other White British		White & Chinese			
Irish		Other Mixed Background			
Traveller of Irish Heritage		<u>Asian or Asian British</u>			
Eastern European		Indian		Chinese	
Western European		Pakistani		Any other ethnic background	
Gypsy/Roma		Bangladeshi			
Other		Other Asian background

Any information you provide will be used solely to compile statistics on the school careers and experiences of pupils from different ethnic backgrounds, to help ensure that all pupils have the opportunity to fulfil their potential. These statistics will not allow individual pupils to be identified. From time to time the information will be passed on to the Local Education Authority and the Department for Education and Skills (DfES) to contribute to local and national statistics. The information will also be passed on to future schools, to save it having to be asked for again.
