

Down Ampney Primary School EYFS Overview Plan 2021.22

	Mathematics Strand	1	2	3	4	5	6	7	
Term 1	NCETM core strand	Cardinality and Counting							
	Core Teaching Strand	Choral counting, group counting, continuous provision counting.	Counting 5			Counting 6		Counting 7	
	NCETM additional Strands (spatial reasoning / shape / measure)	Developing Spatial Reasoning including position and shape							
	Building and applying understanding	Counting stories and rhymes, choral counting, group counting etc							
Term 2	NCETM core strand	Cardinality and Counting							
	Core Teaching Strand	Counting 7	Counting 8		Counting 9		Counting 10		
	NCETM additional Strands (spatial reasoning / shape / measure)	Developing Spatial Reasoning including position and shape							
	Building and applying understanding	Counting stories and rhymes, choral counting, group counting etc							
Term 3	NCETM core strand	Comparison / Composition of number							
	Core Teaching Strand	Composition of 2,3,4 / calculating within 4		Composition of 5 and calculating within 5		Composition of 6 and calculating within 6		Problem solving	
	NCETM additional Strands (spatial reasoning / shape / measure)	Patterns and relationships including repeated patterns, shapes and colours.							

Down Ampney Primary School EYFS Overview Plan 2021.22

	Building and applying understanding	Counting stories and rhymes, choral counting, group counting etc		
Term 4	NCETM core strand	Comparison / Composition of number		
	Core Teaching Strand	Compare numbers	Composition of 7 and calculating within 7	Composition of 8 and calculating within 8
	NCETM additional Strands (spatial reasoning / shape / measure)	Patterns and relationships including times, events, making connections.		
	Building and applying understanding	Counting stories and rhymes, choral counting, group counting etc		
Term 5	NCETM core strand	Composition of number		
	Core Teaching Strand	Composition of 9 and calculating within 9	Composition of 10 and calculating within 10	Double numbers
	NCETM additional Strands (spatial reasoning / shape / measure)	Measures		
	Building and applying understanding	Counting stories and rhymes, choral counting, group counting etc		
Term 6	NCETM core strand	Comparison	Composition of number	
	Core Teaching Strand	Distributing equally	Securing and using number facts	Revisit aspects of number
	NCETM additional Strands (spatial reasoning / shape / measure)	Patterns and relationships		
	Building and applying understanding	Counting stories and rhymes, choral counting, group counting etc
