Date:

Statement of intent about the processing of biometric data

This statement confirms that, at Down Ampney C of E Primary School we do not store or process any form of biometric data, such as fingerprints or retina scans.

The governing board and data protection officer (DPO) will review this statement on at least an annual basis.

If the school does decide to store or process biometric data, a policy will be implemented for the processing of such data, which would be made available on the school website. Any changes made to the school's position on the processing of biometric data will be clearly communicated to all staff, parents and pupils.
