

British Values in Mathematics

British Values	KS1	KS2
Democracy	Teamwork in group work. Taking turns to listen to everyone speak and give their answers and explanations.	
Rule of Law	Following rules when playing maths games Applying rules in calculations, algebra and geometry.	
Individual Liberty	Being allowed to make mistakes and learn from them. Children are encouraged to take risks in their work. Children are encouraged to devise their own ways to present ideas and solutions. Children are given opportunities to discuss their viewpoints whilst being respectful of others.	
Mutual Respect for and tolerance of those with different faiths and beliefs	Group work encourages children to work as part of a team and helps them understand that we can all solve problems in different ways.	
		Children learn that Mathematics comes from a range of different cultures and study the impact of different cultures on our number system and understanding of number and calculation.
