Department
for Education

Created by

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2021/2022, as well as on the impact it has on pupils’ PE and sport participation and attainment. **All funding must be spent by 31st July 2023.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2023. To see an example of how to complete the table please click [HERE](#).

Details with regard to funding

Please complete the table below.

Total amount carried over from 2021/22	£11,200
Total amount allocated for 2021/22	£16,400
How much (if any) do you intend to carry over from this total fund into 2022/23?	£11,210
Total amount allocated for 2022/23	£16,340
Total amount of funding for 2023/23. To be spent and reported on by 31st July 2023.	£27,550

Swimming Data

Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the NC programme of study</p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2022.</p> <p>Please see note above</p>	100%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above</p>	86%
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	86%
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	Yes

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2022/23		Total fund allocated:		Date Updated:	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school					Percentage of total allocation:
					43%
Intent		Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:		Make sure your actions to achieve are linked to your intentions:		Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:
Active play and lunchtimes Children actively engaged and taking ownership of their physical activity Modelled games and activities for children to recreate in free time		Adults to supervise and conduct games and activities at break times Data mats for children to record data during physical activity Interactive whiteboards to demonstrate warm ups and activities in PE		£11,963	Children create their own activities and obstacle courses at break times Children use data mats to record data during physical activity Adults work with children at breaktimes to use equipment trolley to make games
Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement					Percentage of total allocation:
					%
Intent		Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:		Make sure your actions to achieve are linked to your intentions:		Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:

Children to be actively involved in entering and taking part in local cluster sports events. Adults to be trained in recognizing the importance of PESSPA	Staff meetings using the Real PE platform CPD Participation with the local School Games network Subject lead attending local CPD conferences and events to feedback	£829	Different staff to attend sporting events with children to ensure we can attend as many as possible. Staff meetings to discuss and feedback best practice and how teaching is working for the children.	
--	---	------	--	--

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport	Percentage of total allocation: %
--	--------------------------------------

Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
CPD – Whole school Real PE training to implement the new scheme iPads for staff to use during PE lessons to record data, assessments and demonstration videos	Whole scarf training to introduce Real PE scheme All staff signed up to Real PE platform to access CPD and familiarise themselves with platform for learning	£4488.43	All staff teach or support the teaching of PE throughout the term, meaning children get a breadth of knowledge and expertise Children know how to challenge themselves using the activity videos in a lesson on an iPad	

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils	Percentage of total allocation: %
--	--------------------------------------

Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:

Bring experts into school to teach children a variety of sports which they may not otherwise experience, to teach alongside the class teachers Additional achievements:	Children to experience a range of sports each week to see how they can utilise taught fundamental skills, including: climbing, dodgeball, bowling, athletics, gymnastics, archery and dance	£3,496.57	Children are now confident to explain the skills that are required for a variety of sports and can see how they can use their skills in a variety of ways.	
--	---	-----------	--	--

Key indicator 5: Increased participation in competitive sport				Percentage of total allocation:
				%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Have enough equipment available for children to participate in team sports and competitive activities After school clubs for sport following interest from children	Purchase equipment for sports day, rounders, netball, athletics,	£2864.18	Strong uptake of after school sports provision and regular team games in PE lessons for all children to participate in confidently.
