 randomly within the group in order to develop greater listening skills, balance between parts, and vocal independence. Develop a knowledge and understanding of the stories, origins, traditions, history, and social context of music they are listening to, singing, and playing. Listen to recorded performances. Plan and compose an 8- or 16-beat melodic phrase using the pentatonic scale (e.g. C, D,E, G, A) and incorporate rhythmic variety and interest. Play this melody on available tuned percussion and/or orchestral instruments. Notate this melody. Enhance improvise/composed melodies with rhythmic or chordal accompaniment. Engage with others through ensemble playing with pupils taking on melody or accompaniment roles. The accompaniment rif instrumental, could be chords or a single-note bassline. Further understand the differences between semibreves, minim, crotchets, quavers, and semiquavers, and their equivalent rests. Read and play confidently from rhythmic notation cards and rhythmic scores in up to 4 parts that contain known rhythms and note durations. 	 British Values - Music lessons provide an opportunity for children to express themselves freely, forming their own opinions about the music they listen to. In music lessons, children may vote to demonstrate how they feel about a particular piece of music. Democracy - Music lessons provide an opportunity for children to express themselves freely, forming their own opinions about the music they listen to. In music lessons, children may vote to demonstrate how they feel about a particular piece of music. The rule of law - Children learn that it is important to follow the 'conductor's' directions when we are performing together. Individual liberty - Children can choose to take part in Choir club. Children are taught about self-discipline and that to be successful, you must have a mindset that anything can be achieved. Mutual respect - Children enjoy listening to and performing music from different faiths and culture around the world. Children learn how music is used in other cultures and faiths. 	Children understand about different genes of music linked to history and the beliefs of other, Spirituality: Ows, Wows, and Nows Within music there are many moments where children can pause and consider the wow of their work, the work of others. Cultural Capital: Watch music videos and listen to musical performances to increase access to types of music that they might not be exposed to in their everyday lives. Invite other musicians and performers into school to share their skills and encourage love of music. Arrange trips to local musical performances to introduce children to different musical genres.
